

Suspensions and Exclusions Policy

Sprouts childcare will deal with negative and inappropriate behaviour by using constructive behaviour management techniques. We will involve staff, parents and children to tackle disruptive and challenging behaviour collectively.

We acknowledge that some children will require additional support in order to achieve acceptable levels of behaviour. Where we identify a child with these needs, we will work closely with the parents or carers to deal with the inappropriate behaviour in accordance with our **Behaviour Management** policy.

Where a child *persistently* behaves inappropriately, we will implement the following procedure:

1. Give the child a formal warning; staff will explain why the behaviour is unacceptable along with the consequences of further incidents.
2. Staff will encourage the child to discuss their behaviour, to explain their actions and to identify strategies for avoiding such incidents in the future.
3. Details of formal warnings, suspensions and exclusions will be recorded on an **Incident record** and kept in the child's records.
4. The formal warning will be discussed with the child's parents, and all staff will be notified.

Staff will inform the manager if a child's behaviour warrants suspension or exclusion.

We will only suspend or exclude a child from the Club as a last resort, when all other behaviour management strategies have failed or if we feel that children or staff are at risk.

Suspensions and exclusions will be fair, consistent and appropriate to the behaviour concerned, and will take account of the child's age and maturity as well as any other factors relevant to the child's situation.

Where a parent persistently behaves inappropriately, we will implement the following procedure:

1. Give the parent a formal written warning, the manager will explain why the behaviour is unacceptable along with consequences of further incidents.
2. Any continuous inappropriate behaviour will result in a ban from the setting along with withdrawing the contact for childcare.

Temporary suspensions

Temporary suspensions will be applied in the following situations:

- Where formal warnings have failed to improve a child's/parents/carers persistent, challenging and unacceptable behaviour.
- In the event of an extremely serious or dangerous incident we will suspend a child/parent/carer with immediate effect. We will contact the parents and ask that the child be collected immediately. Immediate suspensions require the manager's agreement.

The Club may temporarily suspend the childcare for a period of up to 15 consecutive days. If the Club takes this step, we will discuss our concerns with the parents/carers in order to work together to promote a more desirable pattern of behaviour.

At the end of the suspension period the manager will meet with the parents/carers, in order to agree any conditions relating to the child's/parents return to the Club.

Permanent exclusion

In exceptional circumstances, and only when all other attempts at behaviour management have failed, it may be necessary to permanently exclude a child/parent from the setting.

If a child/parent is excluded from the Club, the parents/carers will be given a verbal and written explanation of the issues and subsequent actions. The parent/carer has the right to appeal to the club against the exclusion within 14 days of receiving written notification of the exclusion.
